

Communication & Interaction Team

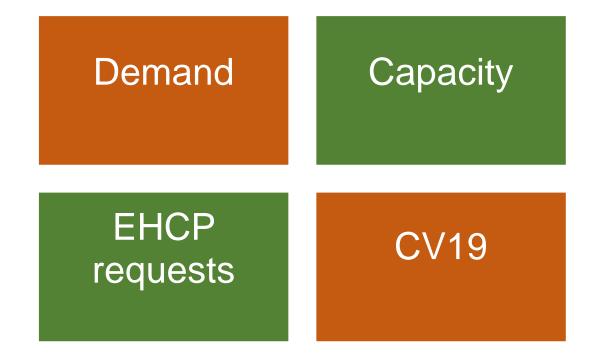

BUSINESS AS USUAL

Communication & Interaction Team

Why changes now?

NO referrals from January 2021!

C&I interim model

Request for access referrals still being accepted

Referrals screened every 2 weeks

Targeted cases offered and booked into a weekly C&I clinic

Specialist case contacted to arrange a visit

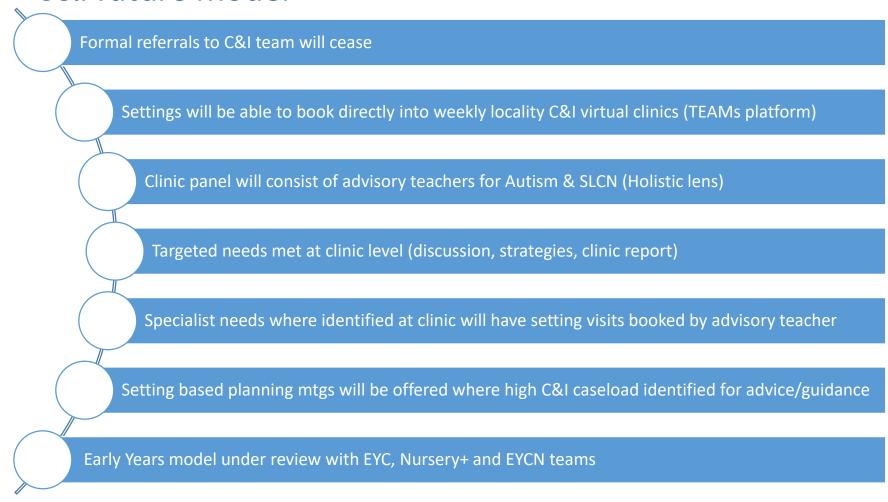

Signposting to other services/agencies where appropriate

Clinic pilot phase this half term (Skype platform) for waitlist held since 1st CV19 lockdown

C&I future model

Communication & Interaction Team – CPD Training offers

Autism – AET modules across EY's, schools and Post 16 sectors.

Plus C&I bespoke modules (Girls + autism, Social narratives, Lego based therapy, PDA etc)

SLCN – Suite of 9 post DELP modules, ranging from understanding and identifying through to evidence based interventions.
