

# Gunton Primary School Outdoor Gym Appeal

**We are offering sponsorship opportunities to selected local businesses and would love to have you on board!**

Our school and local community have worked very hard to fundraise for a new facility which can be accessed by our local community and our children. This new Outdoor Gym will consist of a number of pieces of play and exercise equipment which can be used to support a new Fitness Class we are also hosting for parents and children!

We need your help to raise the final few pounds so we can install the equipment over the summer.

## For your £100 donation we can offer:

- Invitation to our official launch event
- Acknowledgement of your support in the Lowestoft Journal
- Recognition of your support on our permanent "Donations Board" at the school
- Acknowledgement in our school newsletter which goes to all parents and on our website

Please make cheques payable to "Gunton Primary Academy" or contact Mrs Sharon Ellis on the number below if you would prefer to pay by BACS.

For more information please contact:

Mrs Sharon Ellis  
Gunton Primary Academy  
Gainsborough Drive
