What is Plickers?

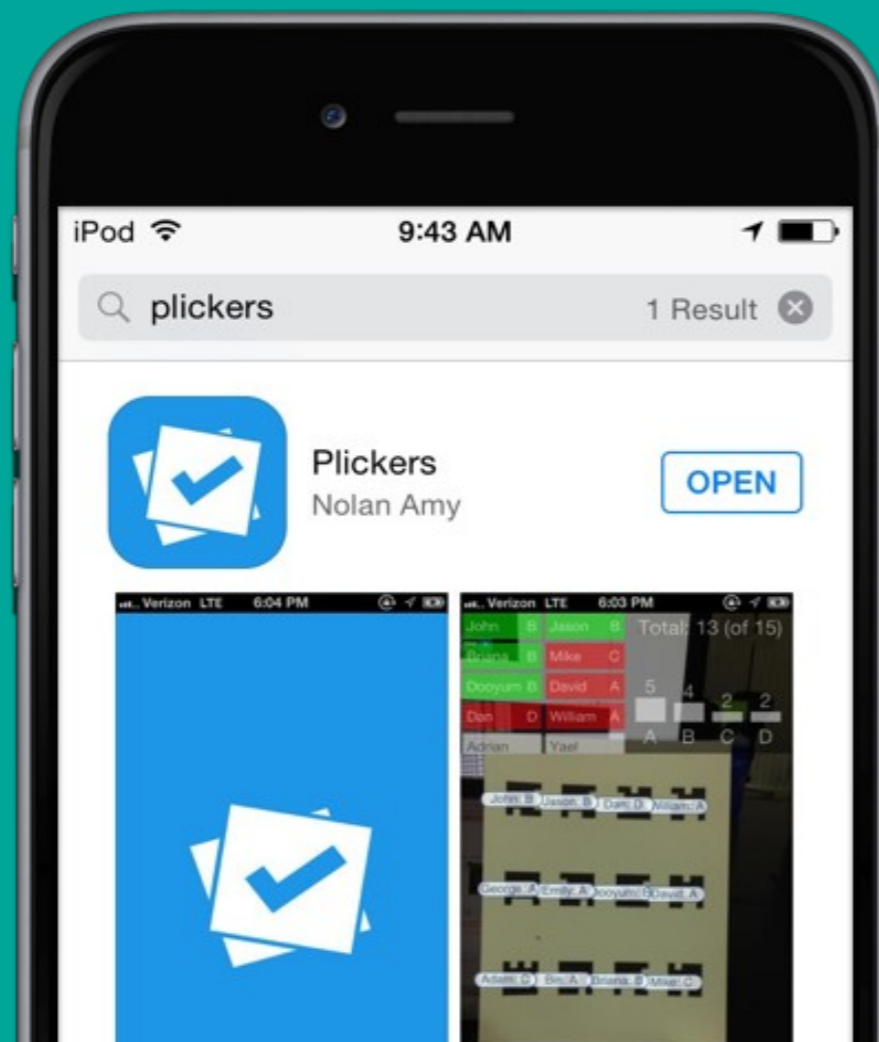

- Plickers (Paper Clickers), is a real-time assessment tool that let's you poll your class **without the need for student devices.**
- Scanning student cards with the Plickers app, teachers get **instant feedback** on their lessons.
- Both **interactive and anonymous**, Plickers is an activity students enjoy and feel comfortable participating in.

How is Plickers Used?

- Found in classrooms **primary to University**, all ages, all subjects.
- Often used for **formative assessment**.
- Great for **warm-ups, exit tickets, lesson refreshers**.
- Outside the classroom, used in interactive settings such as **physical education and professional development**.

Download the App

Download the App

- In order to scan students' responses, you must have the **Plickers mobile app installed.**
- Plickers is available for free on both the [Google Play Store](#) and the [iOS App Store](#).
- **Only the teacher needs the Plickers App.** Students don't need to download a thing!
- For the **iPad**, filter by "**iPhone only**" and search for Plickers in the App store.

Print Your Cards

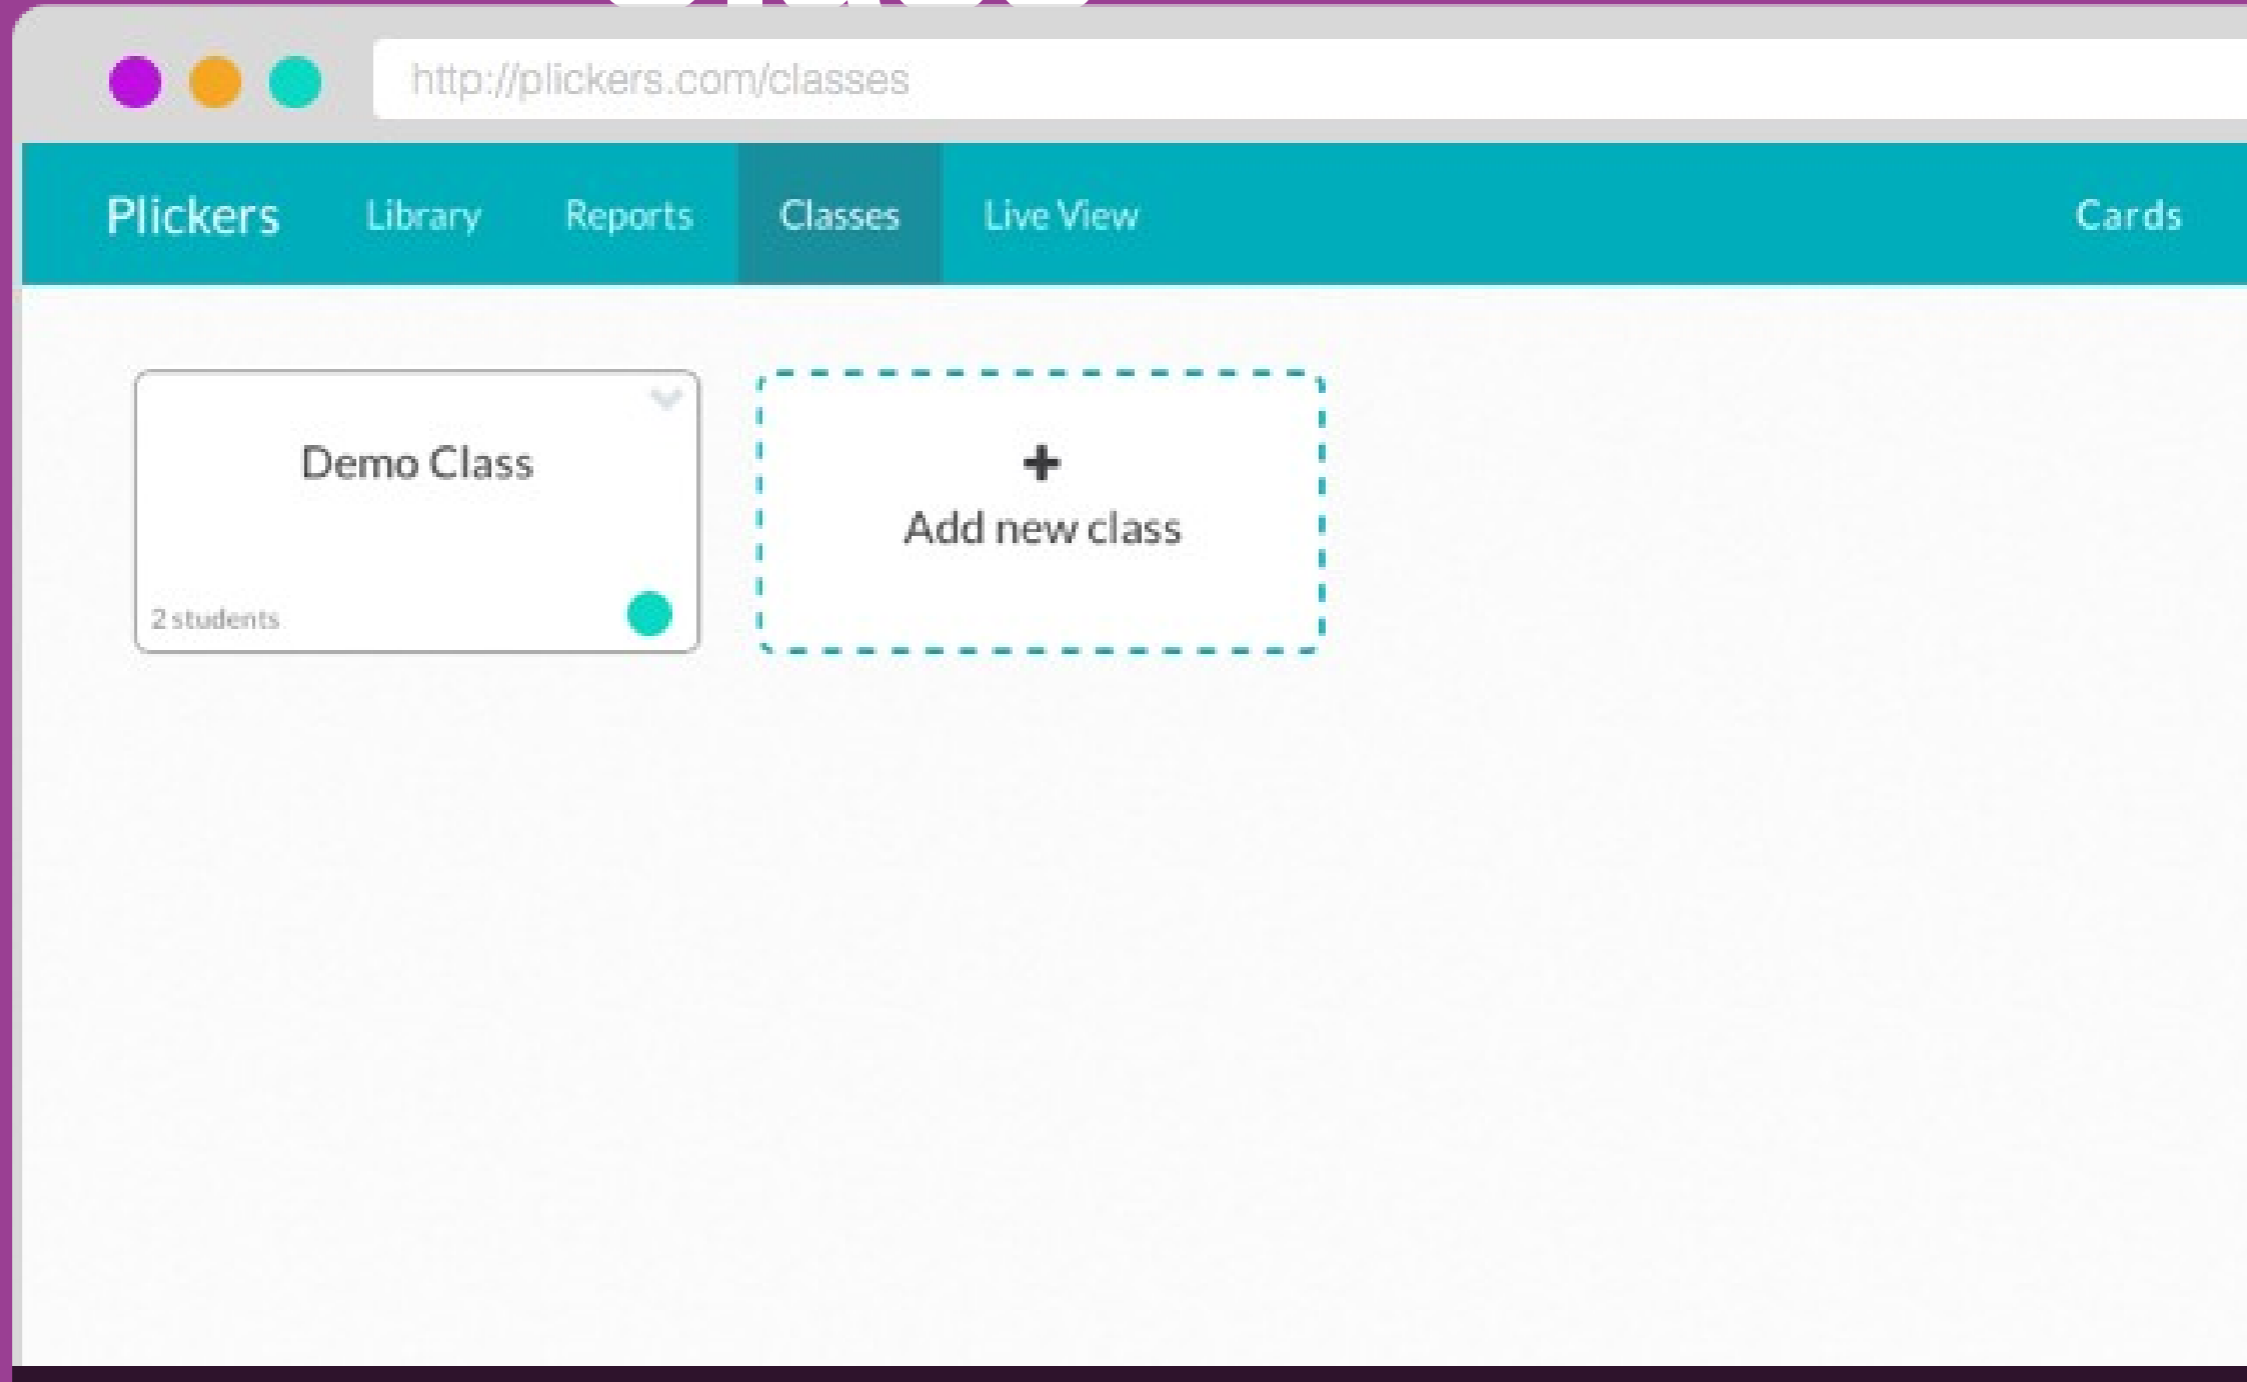

Print Your Cards

- Print out your cards from plickers.com/cards or purchase a set on **Amazon.com**.
- Each card has a **unique number** that can be **assigned to individual students**.
- **Each side** represents an **answer choice**.

Add Your Class

Add Your Class

- Add **classes** and **students** through the Plickers website on the **Classes page**.
- Plickers automatically assigns **card numbers** to **students** as you enter their names.
- Add up to **63 students** per class.

The screenshot shows the Plickers website interface for a class named "Science 4-4". The browser address bar displays "http://plickers.com/classes". The navigation menu includes "Plickers", "Library", "Reports", "Classes", "Live View", "Cards", "Help", and "Ms. FRIZZLE". The class name "Science 4-4" is displayed at the top left. Below the class name, there is a search input field labeled "Enter Student Name (ex: Tim Howard)", a "Sort By..." dropdown menu, and two buttons: "Add Roster" and "Print Roster". A "Available Cards" button is also present. The main content area displays a list of students with their assigned card numbers:

Card Number	Student Name
1	Phoebe Anderson
2	Sean Allen
3	Agatha Bailey
4	Jorge Cruz
5	Leanne Edwards
6	Adam Flores
7	David Foster
8	Cynthia Garcia
